Luke has moved house, and has to go to a new school, but something isn't quite right.....'The Inflatable School' is an adventure story for 10-14 year olds, set in Walsall. It has been created in a unique way with the author publishing a chapter a week to a website, and groups of youngsters from five schools in Walsall Wood and Aldridge sending ideas about the characters, the words, the style and what should happen next. The best ideas in the book have all come from those children, and the result is a roller-coaster ride that will appeal to children everywhere.
